Introduction

About this policy

Your policy consists of:

1. this policy wording, and
 2. the **schedule**, and
 3. the information **you** have provided in the **application** and any subsequent information **you** provide.
-

Your duty of disclosure

When **you** apply for insurance, **you** have a legal duty of disclosure. This means **you** must tell **us** everything **you** know (or could be reasonably expected to know) that a prudent insurer would want to take into account in deciding:

1. whether to accept or decline **your** insurance, or
2. the cost or terms of the insurance, including the **excess**.

You also have this duty every time **your** insurance renews and when **you** make any changes to it. If **you** breach this duty, **we** may treat **your** policy as being of no effect and to have never existed. Please ask **us** if **you** are not sure whether **you** need to tell **us** about something.

Changing your mind

If **you** are not happy with this policy, **you** are welcome to change **your** mind, provided **you** tell **us** within 15 days of the date this policy started. **We** will treat **your** policy as being of no effect and to have never existed and refund in full any premium **you** have paid. This does not apply if **you** have made a claim on **your** policy.

Reading this policy

Some of the words in this policy are in **bold**. This is because they have a special meaning. There is a list of these words and what they mean at the back of this policy in the section 'Definitions'. To make it easy for **you** to understand this policy **we** have included some examples or comments in *italics*. The words in italics do not affect or limit the meaning of the section they refer to.

Please also note that the headings in this policy are designed to help **you** find **your** way around. They should not be used when interpreting this policy wording.

Our agreement

We have an agreement with **you**. **You** agree to pay **us** the premium. In exchange, **we** promise to cover **you** as set out in this policy wording.

Section one – cover for your home

What you are covered for:

You are covered for sudden and **accidental loss** to the **home** that occurs during the **period of cover**.

What you are not covered for:

IMPORTANT: Please also read 'Policy exclusions that apply to all parts of this policy'.

48 Hour restriction

You are not covered for **loss** that occurs during the first 48 hours of this policy, caused by storm, flood or landslip. This only applies when **you** first take the policy out with **us**.

However, this exclusion does not apply where:

1. this policy started immediately following another policy that also insured the same property against the risks of storm, flood and landslip, or
2. this policy was taken out at the time **you** purchased the **home**.

Vacant homes

If **you**, or a person authorised by **you**, have not been living at the **home** for a period of more than 60 consecutive days, **we** will only pay for **loss** that is:

1. caused by fire, explosion or lightning, or
2. covered under the 'Natural disaster' automatic additional benefit.

This condition applies unless:

- (a) **you** have notified **us** and **we** have agreed in writing to cover the **home** while unoccupied. **We** may, at this time, change the terms of **your** policy.
- (b) **we** have **your home** recorded as a holiday home, and the following criteria are met:
 - (i) the **home** is inspected inside and outside by **you** or a nominated person at least every 60 days, and
 - (ii) the **home** and its grounds are adequately maintained, and
 - (iii) mail is cleared regularly, and
 - (iv) the water supply is turned off, and
 - (v) all doors are locked, and all windows secured.

This restriction will end as soon as **you**, or a person authorised by **you**, is living in the **home** again.

Causes of loss not covered

You are not covered for **loss** to the **home** connected in any way with:

1. structural additions or structural alterations, unless:
 - (a) **we** have been notified of the additions or alterations beforehand and **we** have agreed in writing to cover this, or
 - (b) cover is provided under the 'New building work' automatic additional benefit, or
2. water in any form (including hail and snow) entering the **home** because any roofing material, exterior cladding, window or door has been removed by:
 - (a) **you**, or
 - (b) any other person who is acting on **your** authority, or
3. insects, rodents or vermin (other than possums), or
4. an animal owned by anyone living in the **home**, if **your home** is occupied by a tenant, or
5. hydrostatic pressure to swimming pools and spa pools, unless the **loss** is as a result of earthquake, storm or flood, or
6. **natural disaster**, unless cover is provided under the 'Natural disaster' automatic additional benefit.

However, exclusions 3, 4, and 5 apply only to the property directly affected. They do not apply to resultant sudden and **accidental loss** to other parts of the **home**.

Types of loss not covered

You are not covered for:

1. repairing or replacing floor coverings that are not in the room(s) where the **loss** occurred, or
2. repairing or replacing undamaged parts of a bathroom suite or kitchen suite that have not suffered the **loss**, or
3. **loss** to fuses, protective devices, lighting or heating elements caused by electricity, or
4. **loss**, cost or expense arising from any fault, defect, error or omission in:
 - (a) design, plan or specification, or
 - (b) workmanship, construction or materials.

However, this exclusion 4. applies only to the property directly affected. It does not apply to resultant sudden and **accidental loss** to other parts of the property, or

5. the breakdown, failure or wearing out of any mechanical or electrical equipment or any part thereof, unless burning out occurs as a result of an **accidental** and external force.

Gradual damage not covered

You are not covered for:

1. wear and tear, depreciation, corrosion or rust, or
2. rot or mildew, or
3. gradual deterioration, except for **loss** covered by the 'Hidden gradual damage' automatic additional benefit.

Intentional acts not covered

You are not covered for **loss** that is intentionally caused by:

1. a tenant, or
2. any guest of a tenant, or
3. any person who occupies the **home**,

except where the **loss** is:

- (a) a result of fire or explosion, provided the fire or explosion was not intentionally caused by **you** or **your partner**, or
- (b) covered by the 'Methamphetamine contamination' automatic additional benefit or the 'Landlord's protection' optional additional benefit.

What we will pay:**The most we will pay****Home sum insured**

1. The most **we** will pay for **loss** to the **home** exclusive of **special features** for any **event** that occurs during the **period of cover** is the **home sum insured**. This includes:
 - (a) Compliance costs,
 - (b) Professional and other fees,
 - (c) Demolition and removal costs,
 - (d) all automatic and optional additional benefits unless stated otherwise.
2. However, within the **home sum insured**, the most **we** will pay in total for any **event** that occurs during the **period of cover** for **loss** to:
 - (a) all retaining walls is \$25,000, and
 - (b) all **recreational features** is \$45,000,

unless an increased limit is shown in the **schedule**, in which case that increased limit is the most **we** will pay for the respective property.

Special feature sum insured

3. The most **we** will pay for **loss** to any **special feature** for any **event** that occurs during the **period of cover** is its **special feature sum insured**. This includes:
- (a) Compliance costs,
 - (b) Professional and other fees,
 - (c) Demolition and removal costs.

Total sum insured

4. The most **we** will pay for **loss** under 'Section one – cover for your home' in total for any **event** that occurs during the **period of cover** is the **total sum insured**. This includes:
- (a) the **home sum insured**,
 - (b) any **special features' sums insured**,
 - (c) all automatic and optional additional benefits unless stated otherwise.

If your home is economic to repair

If, in **our** opinion, it is economic to repair the **loss** to **your home**, **we** may choose to:

1. pay the reasonable cost to repair the part of **your home** that suffered the **loss**, or
2. pay **you** the estimated reasonable cost to repair the part of the **home** that suffered the **loss**.

If your home is uneconomic to repair

1. If, in **our** opinion, it is uneconomic to repair the **loss** to **your home**, **you** may choose one of the following:
 - (a) Rebuild on the same site: **We** will pay the reasonable cost incurred to rebuild the part of **your home** that suffered the **loss** to an equivalent size and specification on its original site, or
 - (b) Rebuild on another site: **We** will pay the reasonable cost incurred to rebuild the part of **your home** that suffered the **loss** to an equivalent size and specification on another site that **you** provide anywhere in New Zealand. The cost must not be greater than the reasonable cost of rebuilding the part of **your home** that suffered the **loss** on its original site less demolition and removal costs incurred, or
 - (c) Buy another home: **We** will pay the reasonable cost incurred to buy another home anywhere in New Zealand, including reasonable and necessary legal and associated fees. However, **we** will not pay more than the estimated reasonable cost that would have been payable if the part of the **home** that suffered the **loss** had been rebuilt within a reasonable timeframe on the original site less demolition and removal costs incurred. Compliance costs, and professional and other fees are not included in the estimated rebuilding costs as these are only incurred when rebuilding occurs, or
 - (d) Accept a cash payment with **our** consent: At **our** sole discretion, **we** will pay **you** the estimated reasonable cost to rebuild the part of **your home** that suffered the **loss** less demolition and removal costs incurred. Compliance costs, and professional and other fees are not included in the estimated rebuilding cost as these are only incurred when rebuilding occurs.
2. If, in **our** opinion, it is uneconomic to repair the **loss** to **your home**, and **you** sell **your home** before the rebuilding begins the most **we** will pay is the lesser of:
 - (a) the **total sum insured**, and
 - (b) the difference between the market value of **your home** immediately before and immediately after the **loss**, plus demolition and removal costs **we** determine are necessary,

less any costs covered by this policy which have been met by **us** up to the date on which the sale settles.

Settlement of your loss

The following clauses are subject to the provisions outlined above in 'What we will pay – The most we will pay'.

Standard of repair or rebuild

We will pay the reasonable cost to repair or rebuild the part of the **home** that suffered the **loss** to a condition as similar as possible to when it was new, using current industry accepted building materials and construction methods, but excluding additional materials, work and expense required solely to comply with government or local authority bylaws and regulations, design, engineers', surveyors' and building consultants' fees, and consents and other associated legal fees.

Compliance costs

1. If **you** are repairing or rebuilding **your home**, **we** will also include the reasonable costs of additional materials, work and expense required solely to comply with government or local authority bylaws and regulations. **We** will only pay these costs of compliance:
 - (a) if the **home** complied with all requirements that existed at the time it was originally built and at the time of any alteration, and
 - (b) for the part of the **home** that has suffered **loss** covered by this policy.
2. **We** will not pay any costs of compliance if notice of non-compliance had already been served before the **loss** occurred.
3. These costs are not payable when **you** buy another home or accept a cash payment as settlement of **your** claim, as described in 1. (c) or (d) of 'If your home is uneconomic to repair' above.

Professional and other fees

1. If **you** are repairing or rebuilding the part of **your home** that suffered **loss**, **we** will also include the reasonable costs of:
 - (a) design, engineers', surveyors' and building consultants' fees, and
 - (b) consents and associated legal fees.
2. These costs must be necessary to repair or rebuild the part of the **home** that has suffered **loss**, and approved by **us** before they are incurred.
3. These costs are not payable when **you** buy another **home** or accept a cash payment as settlement of **your** claim, as described in 1. (c) or (d) of 'If your home is uneconomic to repair' above.

Demolition and removal costs

1. If **we** accept a claim for **loss** to **your home**, **we** will also pay the reasonable costs of:
 - (a) demolition of the part of **your home** that suffered the **loss** that is necessary to effect the repair or rebuild of that **loss**, and the removal of debris associated with that, and
 - (b) removing **your** household contents when this is required to enable **your home** to be repaired or rebuilt, but not the cost of storing them or returning them to the **home**.
2. These costs must be necessary and approved by **us** before they are incurred.
3. If **we** pay to demolish any part of the **home**, this gives **us** the choice to take the debris and dispose of it as **we** see fit and retain any salvage obtained.

Costs not covered

We will not pay for any costs that are incurred for:

1. any part of the **home** that has not suffered **loss** unless this is necessary to repair or rebuild the **loss** covered, or
2. stabilising, supporting or restoring land, earth, or fill, or
3. anyone **you** engage to prepare, advise on, or negotiate a claim made under this policy.

We will not pay these costs. You will have to meet these.

Section one – automatic additional benefits

These benefits are subject to the terms of this policy, except where the terms are varied in the benefit. The amounts shown in these benefits are included in the **total sum insured** unless expressly stated otherwise.

Alternative accommodation

This policy is extended to cover the reasonable additional cost of temporary alternative accommodation (of a similar standard to the **home**) for **you**, any family member who permanently resides with **you**, and **your** domestic pets, if the **home** is **your** principal residence and cannot be lived in due to a **loss** or **contamination damage** to the **home** during the **period of cover** that:

1. is covered by this policy, or
2. would have been covered by this policy, but is covered by the **EQC Act** instead.

Cover under this automatic additional benefit ends on the earlier of the date on which **we**:

- (a) settle **your** claim for **loss** or **contamination damage**, or
- (b) have paid **you** 12 months' alternative accommodation costs.

Where **we** have settled **your** claim for **loss** or **contamination damage** by payment of the estimated costs to repair or **remediate**, **we** will cover the cost of temporary alternative accommodation for the reasonable estimated period that it would take to repair or **remediate** the part of the **home** that suffered the **loss** or **contamination damage**.

The most **we** will pay under this automatic additional benefit is \$20,000 for each residential dwelling shown in the **schedule** as covered by this policy per **event** or **contamination claim**. **We** will pay these costs in addition to the **total sum insured**.

If **you** have alternative accommodation cover under any other policy with **us**, then the most **we** will pay under all policies in total for each residential dwelling per **event** or **contamination claim** is the highest applicable limit.

Breakage extension

An **excess** of \$250 per **incident** applies to a claim that is solely for sudden and **accidental** breakage of:

1. glass in any:
 - (a) windows, or
 - (b) doors, or
 - (c) screens,
 of the **home**, or
2. sinks, baths, wash basins, toilet bowls, shower cabinets, bidets, fixed glass lampshades, permanently fixed mirrors or glass in built-in furniture in the **home**.

Electronic programs

You are covered for the reasonable cost of restoring, re-setting or re-programming programs, software and other coded instructions necessary to operate any electronic equipment covered under this policy as part of the **home** where that electronic equipment has suffered **loss** covered by this policy. **You** are not covered for **loss** of any data stored on any of that electronic equipment.

Hidden gradual damage

This policy is extended to cover:

1. **hidden gradual damage** to the **home** or the **landlord's contents** that occurs and that **you** discover during the **period of cover**, and
2. any other part of the **home** or the **landlord's contents** that is not directly affected but must be damaged or destroyed to locate the cause of the **hidden gradual damage**, provided **we** have first given **our** permission.

The most **we** will pay during an **annual period** is \$3,000.

Keys and locks

If any key (including electronic keys or swipe cards or any equivalent device) or combination that gives access:

1. to the **home**, or
2. to any safe or strongroom in the **home**,

is lost, damaged, stolen or believed on reasonable grounds to have been duplicated without **your** permission, during the **period of cover**, **we** will pay the cost of:

- (a) replacing any key to the **home** and altering or replacing the locks that the key was for, or
- (b) opening any safe or strongroom.

The most **we** will pay during an **annual period** is \$1,000.

The **excess** does not apply to this automatic additional benefit.

If **you** have keys and locks cover under any other policy with **us**, then the most **we** will pay under all policies during an **annual period** is \$1,000.

Landlord's contents

This policy is extended to cover sudden and **accidental loss** to the **landlord's contents** at the **home** during the **period of cover** while it is a rental property and this is shown in the **schedule**.

We will at **our** option pay:

1. the **present value** of the **loss**, or
2. the cost to repair the item as near as possible to the same condition it was in immediately before the **loss** occurred.

The most **we** will pay is \$10,000 for any **event**. **We** will pay these costs in addition to the **total sum insured**.

Landscaping

This policy is extended to cover the reasonable costs to restore or reconstruct the garden or lawn within the residential boundaries of the **home**, provided:

1. the garden or lawn suffered a **loss** as a result of the **home** being repaired or rebuilt following a **loss** covered by this policy, or
2. the garden or lawn suffered a **loss**, and a claim is payable for **loss** to the **home** from the same **event**.

The most **we** will pay is \$2,500 for any **event**. **We** will pay these costs in addition to the **total sum insured**.

Loss of rent

This policy is extended to cover the amount of any rent **you** have lost, if the **home** cannot be lived in due to a **loss** or **contamination damage** to the **home** that occurs during the **period of cover** that:

1. is covered by this policy, or
2. would have been covered by this policy, but is covered by the **EQC Act** instead,

while the **home** is a residential rental property and this is shown in the **schedule**.

Cover under this automatic additional benefit ends on the earlier of the date on which **we**:

- (a) settle **your** claim for **loss** or **contamination damage**, or
- (b) have paid **you** 12 months' loss of rent.

Where **we** have settled **your** claim for **loss** or **contamination damage** by payment of the estimated costs to repair or **remediate**, **we** will cover the amount of rent lost for the reasonable estimated period that it would take to repair or **remediate** that part of the **home** that suffered the **loss** or **contamination damage**.

The most **we** will pay under this automatic additional benefit is \$20,000 for each residential dwelling shown in the **schedule** as covered by this policy per **event** or **contamination claim**.

We will pay these costs in addition to the **total sum insured**.

If **you** have loss of rent cover under any other policy with **us**, then the most **we** will pay under all policies in total for each residential dwelling per **event** or **contamination claim** is the highest applicable limit.

Methamphetamine contamination

This policy is extended to cover **contamination damage** to:

1. the **home**, or
2. **landlord's contents** at the **home**,

that first occurs and that **you** discover during the **period of cover**, subject to the following:

There is no cover for any **contamination damage** where any contamination existed or occurred prior to the current **period of cover** unless the pre-existing contamination was disclosed to and accepted by **us** in writing. If **you** have insured **your home** with **us** (or any other brand underwritten by IAG New Zealand Limited) continuously since the earlier period when the **contamination damage** first occurred, **we** will waive the requirement for the **contamination damage** to have first occurred during the current **period of cover**.

Damage caused by you and certain others not covered

You are not covered for any **contamination damage** that is caused or contributed to, directly or indirectly, by or in connection with **you**, or **your partner**, or any member of **your** or their family. For the purposes of this exclusion, **you** includes any trustee or beneficiary of the trust if the **home** is owned by the trust, or any director or shareholder of the company if the **home** is owned by the company, or any unit title holder.

Where you do not live in the home

Where the **contamination damage** occurs in connection with any tenancy or occupancy of:

1. more than 90 days, there is no cover unless **you**, or the person who manages the tenancy on **your** behalf, have fully met the 'Landlord's obligations' in the section 'Policy conditions', or
2. 90 days or less, there is no cover unless the **contamination damage** was caused by an **accidental incident** in connection with the manufacture, distribution or storage (but only where the storage is in connection with supply or distribution) of **methamphetamine** at the **home**.

What we will pay under this automatic additional benefit

1. Where there is cover under this automatic additional benefit, **we** will:
 - (a) reimburse **you** for the reasonable costs **you** have incurred during the **period of cover** for testing, provided:
 - (i) the testing is carried out in accordance with New Zealand Standard NZS 8510 or by an operator approved by **us**, and
 - (ii) the testing confirms **contamination damage** to the **home**, and
 - (b) pay to **remediate** that part of the **home** that suffered **contamination damage** subject to the provisions below.

Please note, the definition of remediate means that we will not pay to remove all traces of methamphetamine contamination and will not restore the home to its condition when it was new.
2. **We** may choose to:
 - (a) pay the reasonable costs to **remediate** the part of the **home** that suffered the **contamination damage**, or
 - (b) pay **you** the estimated reasonable cost to **remediate** the part of the **home** that suffered the **contamination damage**.
3. The most **we** will pay under this automatic additional benefit is \$30,000 for each residential dwelling shown in the **schedule** as covered by this policy, per **contamination claim**.
4. An **excess** of \$2,500 or the **excess** shown in the **schedule**, whichever is greater, will apply per **contamination claim** under this automatic additional benefit for each residential dwelling shown in the **schedule** as covered by this policy.

Natural disaster

This policy is extended to cover sudden and **accidental loss** to the **home** that occurs during the **period of cover** caused by a **natural disaster**, subject to the following:

Where EQC cover applies

1. If that **loss** is covered under the **EQC Act**, or would have been but for:
 - (a) the application of an excess under the **EQC Act**, or
 - (b) a failure by **you** to correctly notify a claim to the Earthquake Commission within the time required under the **EQC Act**, or
 - (c) a decision by the Earthquake Commission to decline a claim or limit its liability for that **loss** in whole or in part and for any reason whatsoever, or
 - (d) any act or omission on **your** part, the part of **your** agent, or the part of the Earthquake Commission,

and the cost to repair or rebuild the part of **your home** that suffered the **loss** exceeds **your** maximum entitlement available (or that would have been available but for the reasons in 1. (a) to (d) above), for that **loss** under the **EQC Act** (plus the excess under that Act), **we** will pay the difference between that maximum entitlement (plus that excess) and the cost to repair or rebuild the part of **your home** that suffered the **loss**.

2. The most **we** will pay under this automatic additional benefit for any **event** is the difference between that maximum entitlement (plus the excess) under the **EQC Act** and the **total sum insured**.

Where no EQC cover applies

3. Where **your** claim for **loss** to the **home** under this automatic additional benefit is for, or includes, any part of the **home** that is not covered under the **EQC Act**, then the **excess** will be the higher of:
 - (a) \$5,000, and
 - (b) the **excess** otherwise applicable to the claim under this policy.

Some examples of parts of the home not covered under the EQC Act are:

- *gate or fence,*
- *driveway,*
- *patio, path, paving, tennis court or other artificial surface,*
- *swimming pool or spa pool.*

New building work

This policy is extended to cover sudden and **accidental loss** that occurs during the **period of cover** to:

1. any new structure being built within the residential boundaries of the **home**, if **you** own it (or if **you** are responsible for it while it is being built), provided it will be covered by this policy when complete, and
2. any materials within the residential boundaries of the **home** that are to be included in the new structure,

but only if the **loss** was caused by:

- (a) fire, explosion or lightning,
- (b) storm or flood, but not exposure to normal weather conditions,
- (c) riot or labour disturbance,
- (d) aircraft or other aerial or spatial device, or articles dropped from them,
- (e) impact by **motor vehicle** or an animal.

What is not covered

We do not cover any structure:

1. where the expected value of the completed work, or the price of the contract including materials, is more than \$10,000, or
2. that involves alteration to any part of the existing **home**, or
3. that involves excavation more than 1 metre deep, or
4. that has not been granted a building consent or similar if one is required.

What we will pay

The most **we** will pay during an **annual period** is \$10,000.

Post-event inflation protection

We may, at our sole discretion, increase the cover available under this policy if:

1. a **natural disaster**, flood or storm has occurred in the vicinity of the **home** causing widespread **loss** and, as a direct result of this widespread **loss**, building costs have increased due to a statistically significant increase in demand in our opinion, and
2. **your home** has suffered sudden and **accidental loss** that is covered by this policy and **your** claim in respect of that **loss** is settled on the basis of an actual repair or rebuild of the **home**, and,
3. the actual covered cost to repair or rebuild:
 - (a) the **home** is higher than the **home sum insured**, or
 - (b) any retaining wall or **recreational feature** is higher than its corresponding limit shown in this policy, or
 - (c) any **special feature** is higher than its corresponding **special feature sum insured**,
 solely due to the increase in building costs described in paragraph 1. above.

The most we will pay, in total, for all increases in cover is the amount calculated by applying the percentage of the statistically significant increase in demand to:

- (a) the **home sum insured**, and
- (b) the corresponding limit for any retaining wall or **recreational feature** shown in this policy, and
- (c) the **special feature sums insured**,

up to a maximum of 10% more than those respective sums insured or limits.

However, under no circumstances will we pay more than an additional 10% of the **home sum insured** in total for (a) and (b) under this clause.

For example:

An earthquake causes damage to a large number of homes in your town and substantially damages your home. As a result of all of the homes needing to be repaired/rebuilt, the cost of building materials and labour increases sharply. If your total sum insured of \$300,000 is no longer adequate because of the increased costs, we may pay up to \$330,000 to rebuild or repair your home and any retaining walls or recreational features.

Sale and purchase

Where a **loss** occurs after **you** have entered into a contract to sell the **home**, the purchaser is covered by this policy for that **loss** up until the final settlement, or until they take possession of the **home**, whichever occurs first, provided:

1. they meet all the same conditions of this policy that **you** must meet, and
2. they have not otherwise insured the **home** at the time of the **loss**.

Stress payment

If, in our opinion, it is uneconomic to repair the **loss** to the **home**, we will also pay **you** \$2,000 for the stress caused by the **loss**.

If **you** have this stress payment cover under any other policy with us, then the most we will pay for any **event** under all policies is \$2,000.

We will pay this in addition to the **total sum insured**.

Sustainability upgrade

If, in our opinion, it is uneconomic to repair the **loss** to the **home**, we will also pay up to \$15,000 to upgrade the **home** with **sustainable products**, provided:

1. **you** rebuild the **home**, (on the same site or on another site), and
2. **you** occupy the **home** at the time of the **loss**, and
3. the **sustainable products** are approved by us.

We will pay these costs in addition to the **total sum insured**.

Water or sewage pipe blockage

We will pay the reasonable costs towards clearing a blockage in an underground water or sewage pipe, provided the blocked pipe is within the residential boundaries of the **home**.

This benefit only covers the costs of clearing the blockage, and does not cover any other maintenance costs.

The most we will pay during an **annual period** is \$500.

The **excess** does not apply to this automatic additional benefit.

Section one – optional additional benefit

The following benefit is an optional additional benefit. Cover applies only if **you** have purchased the benefit and it is shown in the **schedule**. This benefit is subject to the terms of this policy, except where the terms are varied in the benefit. The amounts payable under this benefit are included in the **total sum insured**.

Landlord's protection

This policy is extended to cover:

1. sudden and **accidental loss** that occurs during the **period of cover** to the **home** or the **landlord's contents**, caused by:
 - (a) an intentional act, or
